GRADUATE TEACHING ASSISTANTSHIP APPLICATION

Graduate Teaching Assistantships (GTA) are designed to provide graduate students with meaningful teaching experience in preparation for a career in education or enhancing their professional degree. GTAs assist faculty in the preparation and teaching of courses; responsibilities include attending class lectures, teaching smaller breakout or discussion sessions, holding weekly office hours, and grading student performance within their breakout sessions.

GTAs receive a stipend and up to nine (9) credit hours of tuition remission per semester in which they have been awarded an assistantship. In order to be considered for a GTA position, prospective students must be admitted into either the Master of Arts in History/Master of Arts in History w/ a Public History Emphasis or the Ph.D. Humanities (History) degree programs. Students awarded a GTA position must be enrolled in at least six (6) credit hours per semester - contact the department administrative assistant for regulations regarding exemptions to this rule.

*Submit completed application and resume/CV by email to the Department of History administrative assistant by **March 1st** for consideration. **NOTE:** Any graduate history student currently holding a GTA position must re-apply each year to be considered for the next academic year's assistantships.*
